

Creating your Camp Wigwam Account

Through the Wigwam website, we are thrilled to partner with CampMinder, our web-based camp management and communication system. This user-friendly system will allow you to establish and update personal contact information, complete medical forms, and access all Wigwam information in one convenient location. We encourage all families to take a moment, access the Wigwam website (www.campwigwam.com), and initiate your own password protected CampInTouch account. Instructions that follow will walk you through the various steps to utilize your parent accounts, including filling out forms for the 2023 Season! We hope this will provide you with the necessary tools to make the most of the increased functionality of our website.

First Time Login

1. Go to www.campwigwam.com
2. Click 'Parent Login' found near the bottom of the home page.
3. ****Important**** Since this is your first time accessing your new parent account you will select the link to "**Retrieve/Set Password**" first. (An account has already been established for you)
4. **A box will appear. Please enter the email address at which you receive camp emails**, as this is the address under which your account will be set up. After submitting your information, **you will be sent an e-mail** (to the email address submitted). Please check your JUNK/SPAM folder and note that password delivery may take up to 5 minutes. **Click on the link in that e-mail to set up your password and security questions**. Upon completing this process you will automatically be logged in. If you are told your email address doesn't exist it simply means we have a different email address on file. To fix this please call Camp Minder Parent support at (303) 444 -CAMP.

Online Forms

5. Once logged in please bring your attention to the section titled "**Forms & Documents**". This section will provide you with all the necessary forms for 2023, as well as downloadable copies of informational camp documents. Forms that were sent in past years, by mail, will be posted, from this time forward, online. You will also see a legend at the top of your page, which denotes what type of form you will be filling out. Please pay attention to all instructions and due dates.
